On and after Monday December 1st., our terms will be as follows :

DAILY FREE PRESS, For Six dollars per year in advance.

gle copies three cents. WEEKLY FREE PRESS,

Monday. We give it to-day.

ARMY CHEATS.

would be a lot of swinding contractors and manufacturers for the army strong up in a pers have advanced, the Springfeld Republicant the Western duct of the troop. A portion of the mentions are the licent goes up in a menth, and the Western duct of the troop. A portion of the mentions. terra firma, except by means of a rope noised around his neck and attached to a crosspices over his head and the cross-pices to a post set in the ground, and also having hung post set in the ground, and also having hung post set in the ground, and also having hung post set in the ground, and also having hung paper generally.

The firma, except by means of a rope noised paper generally.

We are no more fortunate in contracting ground in front of a thinked in which the large ground in front of a thinked in which the large ground in front of a thinked in which the large ground in front of a thinked in which the large ground in front of a thinked in which the large ground in front of a thinked in which the large ground in front of a thinked in the paper generally.

We are no more fortunate in contracting ground in front of a thinked in which the large ground in front of a thinked in the harder of them who directly the train the harder of them who directly in the paper generally.

Yet are in number, had to advance into open directly the train the harder of them who d post set in the ground, and also having lung around his neck a dozen pair of shum shoes, or a shody coat or blanket, a few pounds of stinking meat, or other numples of whatever articles he had cheated the Government and the soldiers in. This for the exhibition on one side of the road. On the other there should be a courseponding row of go-betweens and inspectors, suspended and equipped in like manner with the evidences of their dishonesty in procuring fraudulent contracts, or in allowing for a bride the bogus articles to pass memorial alloce, and in no way towards increasing the profits of the establishment. On this portion of this sert did not pat an effectual stop to these swindling practices, it would be well to report it till it did.

that the House is ready to receive any com less than its price.

sistently with the requirements of the service, for seeping the annual feart in camp. The soldiers will gratefally remember Gov. Helbrook for this thrughtful consideration of them, and for this re-quest, that, though sway from the quiet fresides where they have been went to esistents this yearly stalized, they may yet have the opportunity of keeping the least as Vermonters who have ever honored and colchrated the day.—Freenes.

eerned; but as to the " provision for keeping the annual feast, in camp," the personal press office, Mr. Fuller had to pay the

In consequence of the very great rise less than cost—the publishers making up to the interests of her inhabitants, rather than to in price of Paper and Ink, we are com- their loss from advertisements. But the ex- the preferences of the Passumpeic R.R. corporation, heavily increased, as has their scope and character. They spend many times more for pecially the constitutionality of the law, the character. They spend many times more for news, correspondence, and editors, and for the mechanical part of their production, relating to trial by jury, in case of attempted renthant they did five or ten years ago. And when to this is added an increase in the cost of paper and ink, the load becomes too heavy to be borne. The paper which publishers have bought for from 0 to 11 cents a pound for the past twenty years, is now held at 17 cents, and is still advancing. They shorter periods in proportion. For sin- news, correspondence, and editors, and House have consented to strike out. The sections Two dollars per year. If paid absolute-ly is advance \$1.75. Single copies five heavy to be borne. The paper which pub-

We make this advance solely because at 17 cents, and is still advancing. They

quently the price of newspapers.

an advance in their prices to take effect on Among a parcel of shore issued to the Army of Dec. 1st. The New York papers contact | Tag Brack Screenes at Denot Royan - 12 the Potomer at Harper's Ferry, many of them are without soles, and on examination they were found to be without soles, and on examination they were found to be without present the soles with the sol can think of, as eminently fit to be made, Hersid. The Philadelphia papers have also Ga., so procure hunder and other articles then. The log would be a lot of swindling contractors and determined to rulse prices, the Hartford pa needed for the department, gives a decided plighted than in

munication from him before up starts. Val.

Intelligham, Cox and Richardson—not to say a wird against the rebels, not to propose any being levied on articles of consumption, we may not award any new world day and light without interruption; and the taxes, whether directly upon our light without interruption; and the taxes, whether directly upon our light without interruption; and they are in the control of the taxes, whether directly upon our light without interruption; and they are in the control of the taxes, whether directly upon our light without interruption; and they are in the control of the taxes, whether directly upon our light without interruption; and they are in the control of the taxes, whether directly upon our light without interruption; and they are in the control of the taxes, whether directly upon our light without interruption; and they are in the control of the taxes, whether directly upon our light without interruption; and they are in the control of the taxes, whether directly upon our light without interruption; and they are in the control of the taxes, whether directly upon our light without interruption; and they are in the control of the cont thing which looks towards potting down the shall pay without grumbling. We shall be considered by their decision that they will light to the constant of the c

ed from this place three or four weeks ago. The labor was not slight, and the layor conferred, was a great one. As we knew that when the boxes were deposited in the Express office, Mr. Fuller had to pay the charge for expressage to Washington, we took the liberty of inquiring of him next morning whether he had been made good.

"I spec, Dieter, I'se wounded."
"Well, I can't tend to you just now, you see I am having a but the charge for expressage to Washington, we find the pay the charge for expressage to Washington, we find the pay the charge for expressage to Washington, we find the liberty of inquiring of him next morning whether he had been made good.

Well, I can't tend to you just now, you see I he work of a few only of Congress has made the city he presides over a free oity. They are the work of a man who was a sixycloider—for we have no slaveholder in the work of a man who was a sixycloider—for we have no slaveholder in the city he presides over a free oity.
